Note:

Issued labels are valid for at least two years from the date of their first issue. The validity of the label is not limited in advance, as long as the technical requirements are met and the label owner complies with the regulations and fee schedule. The label is automatically extended by one year at the end of its term, provided that the requirements are still met. The label owner can cancel his label at the end of the current calendar year. The notice of termination must be submitted at least three months before the end of the calendar year.
